Memorandum

To: **WHITECAP COMMUNITY MEMBERS and LESSEES**
c.c.: WDFN Chief and Council
Arnold Stone, Whitecap Fire Chief
From: Warren Buffalo, General Manager
Date: May 17, 2019
Re: **UPDATE → FIRE BAN IN THE WHITECAP COMMUNITY**

Be advised that the full fire ban is partially lifted to allow for small, back yard fires in fire pits only.

Community members who plan to have a back-yard fire must still notify the Whitecap Fire Chief, Arnold Stone, in advance.

The remainder of the ban is still in effect until further notice and includes: no burning barrels, controlled burns, and no fireworks.

This fire ban applies to lands controlled by the WDFN (reserve land, provincial lands leased by WDFN, lands owned by WDFN).

Please contact Arnold Stone, Whitecap Fire Chief (306-290-2760) if you have any questions or concerns.
