Essential Skills

→September 3, 2019-February 14, 2020

→Tuesday to Friday

Courses offered:

Employability Skills: job search, resume writing, time management, stress management, workplace skills.

Industry and Academic certifications: Food handlers, Serve It Right, Service It Best, WHMIS, Driver Training, Financial Literacy, Communications skills, Workplace Math, Adult 10 and GED testing.

Work Placement: 40-60 hours of volunteer, job shadowing and on the job work experience

Community Service

We will be working again this year to connect with the community. Last year our Essential Skills program coordinated a Clothing Drive for the community and a supper for Elders in the community. It is our hope that the community maybe interested in our support again in the Fall. Our students will be asking community members what they would like.

Admission and Registration

(We will be at the Health Centre July 31st starting at 9:00 AM.)

Have questions? Want to change your job opportunities? Need job search help. Want to attend a post secondary program but do not have your grade 10, GED or Grade 12.
