Whitecap Dakota Nation CSO Program Update

Whitecap Dakota Nation's Community Safety Officer Program has recently completed its two-year pilot term. Chief and Council have received much positive feedback on the program and the work of our CSO's. Here are a few updates for WDN Members and residents:

Ongoing and Expanded Program

- WDN Chief and Council will continue to ensure CSO services on Whitecap. Council is working with Canada and Saskatchewan to put additional funding in place to expand the program.
- This year, WDN has approved a budget for 7 CSOs to enhance community safety. With the recent hiring of two new CSOs, we currently have 6 on staff and are recruiting another.

CSO Responsibilities Outside the Community

- CSO's are regularly required to travel to Saskatoon for activities such as:
 - Traffic Court Appearances
 - Business with the RCMP
 - Vehicle servicing and cleaning
 - Meetings with Sask Justice
 - Picking up supplies
 - Training with Saskatoon Police Service

CSO Enforcement Activities

- CSO's have the same enforcement powers as police in the province.
- CSO's actively enforce a zone along Chief Whitecap Trail (Highway #219) between Beaver Creek and the south end of WDN lands.
- CSO's sometimes are required to follow vehicles or are called in by police outside their enforcement zone.
- CSO's participate in joint enforcement initiatives with the RCMP, Saskatoon Police Service, Corman Park Police and others (e.g. Recent Check Stop at #219 and Grasswood Road)
- It is estimated that the CSO's have conducted over 50 sobriety checks over the past year.

FREQUENTLY ASKED QUESTIONS:

WHAT IS A COMMUNITY SAFETY OFFICER (CSO)?

A CSO will provide additional uniformed presence and patrol in WDN. They can investigate low-risk incidents (ex. property theft) and engage in the enforcement of provincial laws and/or WDFN bylaws. They may also work with prevention-based programs, such as schools or with community groups.

WHAT HAPPENS TO THE RCMP?

CSO's and the RCMP will work together. When CSO's deal with low-risk incidents, the RCMP will have more time to focus on serious criminal investigations.

CAN CSO'S PULL YOU OVER?

Yes, CSO's can pull you over when they are in uniform.

CAN CSO'S ARREST YOU?

CSO's have the authority to make arrests under certain provincial legislation.

DO CSO'S CARRY WEAPONS?

CSO's do not carry guns, however, they do carry handcuffs, batons, and an Oleoresin Capsicum spray.

WHY DO WE HAVE CSO'S?

In October 2019, WDN, Muskoday, and the Province of Saskatchewan signed an MoU agreement. The MoU implements the CSO program to better enforce our laws and ensure community safety. This pilot program is supported by federal and provincial policing funding and by the Lands Advisory Board.

CSOs may enforce laws under the following acts:

- *The Traffic Safety Act*
- *The Alcohol and Gaming Regulation Act, 1997*
- *The Highways and Transportation Act, 1997*
- *The Whitecap Environmental Protection Law, 2018*
- *The All-Terrain Vehicles Act and The Snowmobile Act*
- *The Trespass to Properties Act*
- *The Mental Health Services Act*
- *The Stray Animals Act*
- *The Summary Offence Procedures Act*
- *WDN Smoking Bylaw*
- *WDN Cannabis Control Law (2022)*
- *Other WDN Bylaws (e.g., waste disposal)*

STC Well-Being Services

Saskatoon Tribal Council (STC) Well-Being Services works collaboratively with our member communities to provide positive outcomes for children and families through the Progressive Model. The Progressive Model funding assists communities in enhancing their prevention and family support services that keep families intact and thriving within their circle of support and cultural connections. The goal is to move towards implementing and delivering their child welfare model.

Well-Being Services provides two collaborative pathways of services to STC members in their respective communities:

➤ Child Protection and Child Safety Services

STC has the legal authority under delegation of the Ministry of Social Services (Child and Family Services Act) to assess, investigate, and respond to alleged reports of child welfare concerns in our member communities.

Well-Being Services works collaboratively with communities to respond to child welfare concerns focusing on addressing safety concerns that support the child's best interest and build upon family strengths.

➤ Secondary-Level Services

Ongoing assessments are essential in enhancing prevention and family support services. Communities are in the best position to know what is required to meet the needs of their families and children.

Well-Being Services helps facilitate and support capacity building in essential prevention and family support services for our member communities through our clinical and technical support services.

STC Urban Family Services

Our urban members can also access STC Urban Family Services programs for family support and children programs at their new location at 320-21st Street West in Saskatoon. Please call 306-956-0318 for more information or visit STC's webpage.

Intake Contact Information

General Inquiries about Well-Being Services:

306-659-5668 or toll free 1-844-956-5668

(Monday to Friday 8am to 4:30pm)

This number gets forwarded to an answering service outside of office hours and only urgent child welfare concerns will be patched through to an on-call worker

For Kinistin, Mistawasis, Muskoday, One Arrow, and Whitecap:

STC toll-free child protection reporting line: 1-866-871-4237

This number is forwarded to a call-center after hours, which in turn directs the call to the STC worker on call.

For Muskeg Lake:

Child welfare reports currently go directly to the Ministry of Social Services. Their toll-free intake number is 1-800-274-8297. This number is routed through Mobile Crisis outside of regular office hours.

The Child and Family Services Act requires First Nations Child and Family Services Agencies to provide services to families on reserve where children are believed to be in need of protection. The goal of child protection services is to maintain children in their family home whenever possible and, if a child must be removed for their protection, to reunite families as soon as possible.

What is child abuse and neglect?

Abuse and neglect refers to circumstances that may be harmful to a child's physical, emotional or psychological health.

- **Physical abuse** – any action, including discipline, causing injury to the child's body. Indicators: the presence of several injuries over a period of time; any bruising on an infant; reluctant to go home; cannot recall how injuries occurred, or offers an inconsistent explanation.
- **Sexual abuse** – any action involving a child in sexual exploitation or sexual activity including touching, exposure, using a child in the making of/or viewing pornography. Indicators: injuries to the genital or anal area (e.g., bruising, swelling, infection); pregnancy; age-inappropriate sexual play with toys, self, others; bizarre, sophisticated or unusual sexual knowledge.
- **Emotional maltreatment** – expecting a child to be able to do things he or she cannot do, embarrassing or insulting a child, making hurtful comments about a child's appearance, intelligence, size, ability, etc. Indicators: bedwetting and/or diarrhea which is non-medical in origin; frequent complaints of headaches, nausea, abdominal pain; extreme withdrawal or aggressive behavior; severe depression; running away from home.
- **Neglect** – failing to provide a child with enough food, proper clothing, shelter, health care, or supervision. Indicators: hunger, inappropriate dress, poor hygiene, developmental delays; persistent health conditions (e.g., scabies, head lice); steals food; reports no caregiver at home.
- **Domestic violence** – exposing a child to a pattern of abusive behavior or threats of abusive behavior by one caregiver against another (hitting, kicking, restraining, slapping, throwing objects, intimidation, stalking, etc.). Indicators: physical injuries; aggressive or antisocial behaviours; poor social relationships; low self-esteem.

Duty to Report

Anyone having reasonable suspicion that a child's physical, mental, emotional welfare has been or is being neglected has the legal duty to report such information immediately to a local First Nations Child and Family Services, Ministry of Social Services, or to the Police.

“The duty to report overrides professional confidentiality codes when there is reason to believe that a child may be abused or neglected.”

As a parent...

If you would like general information on supports available, please call 306-659-5668 or toll-free 1-844-956-5668 and request to speak to the Social Worker on Duty.

If you feel unable to safely parent your children, please call **1-866-871-4237**.

As a community member...

If you believe a child may be neglected or abused, you have a **legal responsibility** to report your concerns by calling **1-866-871-4237**.

Jordan's Principle is a principle that ensures there is substantive equality (true equality) and that there are no gaps in publicly funded health, social, and educational programs, services, and supports for all First Nations children, on or off reserve, under the age of majority (0 - 18).

The Jordan's Principle provides necessary funding for any services/products/supports, within the domains of health, dental, medical equipment, mental health, social, educational needs, and any other aspect that directly affects the child's wellbeing.

In addition, the Jordan's Principle not only aids with individual requests but also group requests (group homes, schools, communities, etc.). The aim of the Jordan's Principle is to meet the unmet needs of all First Nations children and to be able to achieve equal outcomes as all children in Canada. Furthermore, the Jordan's Principle seeks to attain a level of care that is within and beyond Normative Standards of Care, provisions that are culturally appropriate, and adequate safeguards in the best interest of the child. There are a multitude of requests of services/products/supports that are provided for all First Nations children. Each request is evaluated and decided on a case-by-case basis.

If your child requires the support from the Jordan's Principle, please contact us. We will provide guidance in application, navigation of language & process, education of Jordan's Principle standards, provisions of immediate resources, and assist with all coordination processes and funding, if needed.

If you need more information, you can visit: CANADA.CA/JORDANS-PRINCIPLE

Indian Registry Administrator Report January 2025

CIS (Certificate of Indian Status) CARDS

By appointment only. Should you require a status card, you may call the Whitecap Government Office at (306) 477-0908 and leave a message with our receptionist. Our receptionist is instructed to screen your call for basic information: Name, reason for card request (First, Expired, Lost), phone number and/or email, and if you have the proper I.D. Then the IRA will contact you to book an appointment.

Is it time to Renew your CIS card? To find out; check your expiry date on the back of your current laminated status card. Please contact the Band Office as soon as you can to book in for a renewal once expired! Note that your Status number does not expire however, your photo must be updated every five years (for adults 18+) and every three years (for children under 18).

Please note: Indigenous Services Canada has been experiencing shipping delays for Status Cards, and as such, the WDN has not received card stock since the beginning of fall and only recently received a very limited stock of Status cards. The IRA will reply to all member requests accordingly in the order they were received. Please be kind and patient with the WDN Staff regarding your requests for status cards appointments.

SERVICES AND INFORMATION

Italia Eagle is the IRA for Whitecap. For information on Indian Status eligibility, the SCIS (Secure Certificate Indian Status) card application form and process, and band membership, please contact her at the band office with your inquiry: (306) 477-0908

Important Update for Birth Registration Applications

PARENTS, PLEASE READ

We have been advised that applications for birth registrations that are mailed to the National Processing Unit in Gatineau, Quebec have been experiencing a delayed wait time of up to 2 years to process birth registrations, and that it is quicker to process birth registration applications if done in person or mailed to a regional office in Saskatchewan.

Parents: Please do not mail your child application for birth registration to the address listed on the application form. Instead, we strongly encourage parents to contact the Whitecap IRA for assistance with birth registration forms processing.

WHITECAP IRA NEWS

Options for parents for processing their child registration applications:

1. *On Reserve or Local Urban Parent Members:*
 - a. Preferred method: Make an in-person appointment with the Whitecap IRA to verify the completeness of your forms, then she will mail them directly to the regional office in Regina.
 - b. Mail the application to the Whitecap IRA so she can verify the forms content and send to the Regina office:
Whitecap Indian Registry Administrator
182 Chief Whitecap Trail
Whitecap SK S7K 2L2
2. *Off Reserve Members:*
 - a. Preferred method: Mail the application to the Whitecap IRA so she can verify the forms content and send to the Regina office.
 - b. In Person – Regina: Call (306) 780-5392 and ask to set up an appointment.
 - c. In Person – Prince Albert: Call (306) 953-8522 and ask to set up an appointment.
 - d. Mail to: ISC – Governance

Process to Register Your Child on the Indian Register

Documents required:

1. A completed 'Application for Registration on the Indian Register (for children 15 or younger or dependent adults)'
 - Applications may be picked up at the Band office or Health Centre, as well as online on the Indigenous Services Canada website under the Indian Status tab. **Please note that any old versions of the application will not be accepted.**

Click here for current [Application](#) form

- **Important Note:** Spelling and spacing of any given or family names that will be entered in IRS must be the same as the names appearing on the Proof of Birth Document
2. An original proof of birth document with parental information
 - To get an original proof of birth document, applications may be picked up from the Band Office or Health Centre. You can also visit the Saskatchewan Vital Statistics website: www.saskatchewan.ca – Vital Statistics or view the contact information below.

Vital Statistics

Phone: 1-800-667-7551 (Toll-free Canada & US)
306-787-3251

Email: VitalStatistics@eHealthSask.ca

Phone service: 8 a.m. to 5 p.m. Monday to Friday (excluding statutory holidays)

- The proof of document must contain parental information (at least one parent stated on the birth document)
- The identity information must be visible and undamaged. If information is illegible, the document will not be accepted.

If the child or dependent adult's name on the application form is different from the name on the proof of birth document or legal documents, you must also submit:

- an original legal name-linking document, such as a change of name certificate, that links the previous name with the current name
- or
- a copy of a legal name-linking document and valid acceptable identification with the name that is on the application form

If the name of the applying parent, custodial parent or legal guardian is different from the name on any of the other necessary documents, you must also submit:

- a copy of a legal name-linking document, such as a change of name certificate, marriage certificate or divorce order, that links the previous name with the current name

WHITECAP IRA NEWS

If the Applicant cannot obtain the other parent's signature:

If both parents' names are listed on the child's birth document and after reasonable attempts to locate the other parent to obtain their signature were unsuccessful, a "Statement in Lieu of Other Parent's Signature" form can be completed.

3. A copy of valid acceptable identification of the applying parent, custodial parent or legal guardian; copy must be taken of the front and of the back of the identification, each copy signed and dated by a guarantor (IRA).
 - One piece of valid government issued ID which contains the full name, date of birth, photo, and signature. You can provide *more than one* supporting ID in order to fulfill the data requirements.
 - Must indicate the Document Type (i.e., Saskatchewan Driver's License), Document Number (i.e., Driver's License number), the Expiry Date (YYYYMMDD format), and your Name exactly as it appears on the ID.
4. **For a child (15 or younger)**, any legal documents granting custody or guardianship of the child to the applying parent or legal guardian, if applicable **for a dependent adult**, the guardianship order
 - Must indicate if there are any legal documents pertaining to the custody or guardianship of the child. If there are such documents, then must provide the most recent photocopies of the legal documents.
5. It is important to note that the **Guarantor Declaration** is required in the following three (3) situations:
 - When an applicant does not have sufficient supporting identification to submit with the application;
 - When the applicant is applying by mail without the assistance of an IRA; and
 - When a third party submits an application on behalf of an applicant

Note that the application form must be submitted to ISC within the last 12 months from the date it was signed by both parents

All required/mandatory fields must be completed as stated in the instructions. **Failure to complete these sections may result in delays in processing the application.**

Please note that applications for birth registrations that are mailed to the National Processing Unit in Gatineau, Quebec have been experiencing a delayed wait time of up to 2 years to process birth registrations, and that it is quicker to process birth registration applications if done in person or mailed to a regional office in Saskatchewan.

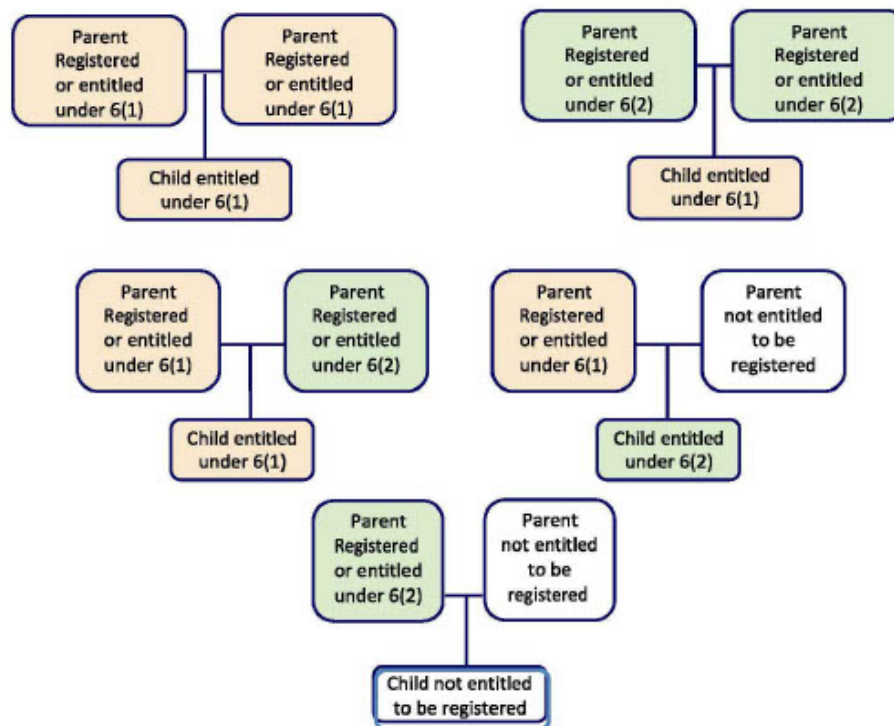

Parents: Please do not mail your child application for birth registration to the address listed on the application form. Instead, we strongly encourage parents to contact the Whitecap IRA for assistance with birth registration forms processing.

WHITECAP IRA NEWS

How do I know if my Child is Eligible to be Registered as an *Indian*?

Category Chart

This is a basic reference chart for section 6 entitlements under the *Indian Act*:

There are two key distinctions between entitlement categories, Subsections 6(1) and 6(2).

6(1) Entitlement

- An individual registered or entitled to be registered under subsection 6(1) can pass status to their child(ren).

6(2) Entitlement

- An individual registered or entitled to be registered under subsection 6(2) must parent with another registered or entitled to be registered Indian in order to pass status to the child(ren).

If only one parent is listed on a child's birth record, it is assumed that the other parent is non-Indian and therefore your child would only be entitled for registration under category 6(2) or not entitled at all. Therefore, it is crucial for the father to sign the "live birth document" in hospital at the time of birth. If the father could not be at the hospital at the time, please ensure to contact Vital Statistics Saskatchewan (eHealth) to request an "amendment to their child's birth record" to add the father.

WHITECAP BAND MEMBER PARENTS: *If you have any questions at all regarding Child Registration, or if you are unsure of your category of registration in the Indian Register, please feel free to contact your Whitecap IRA for assistance: Italia Eagle at (306) 477-0908.*

Do you have a will?

Did you know?

<9%

Less than 9% of First Nation peoples on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the *Indian Act* outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

Why make a will?

- to provide for your loved ones, your children and grandchildren
- to decide who will get your home

- to clearly state who should receive your possessions

- to name who will take care of your children and dependents

- to leave instructions for end of life ceremonies

- to name who will take care of your estate

A will could provide peace of mind and clear direction about your wishes to your family and loved ones

NOTICE REGARDING THE Whitecap Dakota Nation MEMBERSHIP CODE, 2012

BACKGROUND

- The *WDFN Membership Code* document was approved by the membership on November 16, 2012 via referendum (voting).
- The Minister of INAC notified the WDN on August 23, 2013 that the *Code* was approved and is effective and retroactive to December 4, 2012.

MEMBERSHIP CODE GUIDELINES SUMMARY AND APPLICATION PROCESS

An individual must be a registered Indian in order to apply to be on the WDN (Whitecap) Band list.

Automatic Membership

- The parent(s) of minor children that requested of INAC to be on the Whitecap band list at the time they applied for their child to be a Registered Indian is recorded by INAC as an “affiliate” of Whitecap.
- An adult who became eligible to be a Registered Indian as a result of Bill C-3 that requested of INAC to be on the Whitecap band list at the time applied for Registration as an Indian is recorded by INAC as an “affiliate” of Whitecap.
- “Affiliates” are required to complete an application form for Band Membership and submit to the Membership Clerk for processing along with required document(s).
- The Membership Clerk notifies the individual in writing of the status of Band Membership application.
- The Membership Clerk updates the Whitecap Band list accordingly.

Discretionary Membership

- The individual completes application for Band Membership and submits to the Membership Clerk for processing along with required documents.
- The Membership Clerk takes forward the application to the Membership Committee for their review and recommendation to Council.
- The Membership Clerk takes forward recommendation from Membership Committee to Council.
- If approved, the Membership Clerk posts a Notice of the approved Band Membership application for 30 days.
- The Membership Clerk notifies the person in writing of the status of Band Membership application.
- The Membership Clerk updates the Whitecap Band list accordingly.

DEFINITION OF AN “AFFILIATE”:

When an individual is affiliated with a Band, it means that the individual is a registered Indian in the IRS (Indian Registry System) with that band and is eligible for benefits including certain non-insured health benefits, the possibility of post-secondary education assistance and exemption from certain federal and provincial taxes. Only that band can grant an individual Membership and access to benefits such as: the right to reside on-reserve; housing on-reserve; voting privileges within the band; and the right to involvement in Community affairs, etc., depending on that Band’s Code.

**★ Band Membership Application is available at the
Whitecap Dakota Government Office or Health Centre ★**

**If you have any questions, please contact the WDN Membership Clerk (Sheila)
at 306-477-0908 or scaisse@whitecapdakota.com**

*Remember to update the WDN Membership Clerk if you move.
The Membership Clerk will correspond to the latest address on file.*

Attention:

BEWARE OF UNSECURED DOGS

Please be advised that there have been multiple complaints about dogs at large in the community. Tenants are reminded that dogs must always remain secure in your yard while outside, Any dogs found at large will be removed by animal control at the cost of the owner.

The community considers these dogs dangerous due to aggressive interactions with the Housing, Public works and Maintenance Vendors coming to do repairs on your unit. WDN members are especially concerned for the safety of children at play in the neighborhood. We take this matter seriously, and we want everyone's safety to be taken into consideration.

Please contact the Housing Department in the event you witness any dogs at large at 306-491-9090.

Sincerely,

Wade Edin

Attention Tenants

Here are some tips on clearing your outside exhaust vents
During the **winter season**, please take the following precautions and steps to ensure the heating equipment is operating properly to reduce the risk of carbon monoxide poisoning.

Keep Outside Vents Free of Snow and Ice

Tools Required: Snowbrush or a soft broom, & winter gloves to remove snow and ice formations. Small plastic putty knife if there is ice build up.

Steps (This can be done after a big snow fall/storm or when temperatures fall below freezing for a number of days).

1. Do a walk-through inspection to the exterior of your home & locate all exterior vents (see *Illustrations* below). Each house will have similar vent set ups and most are in the rear or side of the house. Remember some vents are made of pvc or plastic coverings so be careful not to break them. **The best way to do this is to use a lot of care and to be very careful not to break anything.**
2. Carefully clear all the **snow/ice outside** of each vent that is built up or any ice formations, don't forget to remove any **snow/ice** from **inside** the furnace and appliance, HRV vents. Also, clear snow from the gas and electric meters. Clear away any snow away below the vents-ground level as well. Using your **gloves** is the best way to clear snow as it reduces damage to the vents.
3. Check behind the doors of your exhaust vents/pipes to make sure snow and ice haven't packed inside. **Snow storms, days of below freezing temperatures, drifting snow, and snow removal efforts** can cause snow and ice to pile up and freeze around your vents and meters. Proper air flow is needed for the safe operation of gas furnaces and appliances and blocked vents which may lead to **toxic fumes** and a dangerous build-up of **carbon monoxide** inside the home.

HRV Vents

Whitecap Dakota Nation

A note on Carbon Monoxide Safety: Often referred to as the Silent Killer.

Carbon monoxide (CO) is a toxic gas that is **colorless, odorless, tasteless** and can be formed when appliances aren't operating or venting properly.

What are Symptoms of carbon monoxide poisoning?

-often mimics the flu and include **headaches, nausea, fatigue, dizziness, shortness of breath, and stinging or burning of the eyes.**

What to do if you suspect Co2 Poisoning?

-open any windows and doors to let fresh air in. go outside. get medical advice as soon as possible – do not go back into the affected building until you have got advice or warm up in your vehicles if the weather is extreme. Call your Housing Department or Emergency contacts right away. **Call 911** for advice if you cannot reach anyone.

What else should you do to prevent co in your home? It is recommended to have a working [CO detector](#) in your house to alert you to any danger. Make sure your detectors have battery back-up so they are operational if the power goes out. They should be placed on each floor of your home, outside sleeping areas, and near any fuel-burning appliance. Although regulations differ by Provincial and Federal Guidelines it is still a must to have them in your home regardless. Please contact your local housing department if you need assistance or have questions.

Re: Loraas Disposal Recycle Bins and Waste Bins

Please keep in mind when discarding your garbage and recyclables.

1. Collection equipment requires clear, safe access to your container on collection day to ensure service.
2. Containers with inappropriate materials, overweight or over height could be bypassed by collection personnel.
3. Garbage bags should not be stacked on top of or beside the garbage bin. The garbage bin must be able to close. Cardboard boxes/material do not belong in the garbage bins but rather the blue recycle bins.

The Grey garbage bins are clearly marked **“DO NOT OVERFILL”**

The Blue Recyclable bins are clearly marked **“Recyclable Products”**

Below are illustrations of what to do AND what not to do on garbage day.

We have noticed a growing amount of pest control cases within the community. Please call the WDN Housing Office at 306-491-9090 with any requests concerning any pest issues. Here's a few tips to follow as well as a link to Service Canada on how to maintain pest control.

Pest control tips - Canada.ca

- Remove sources of food, water and shelter.
- Store food in sealed plastic or glass containers. Garbage containing food scraps should be placed in tightly covered trash cans. Remove garbage regularly from your home.
- Fix leaky plumbing and don't let water accumulate anywhere in the home. Don't let water collect in trays under your house plants or refrigerator. Don't leave pet food and water out overnight.
- Clutter provides places for pests to breed and hide and makes it hard to get rid of them. Get rid of things like stacks of newspapers, magazines, or cardboard.
- Close off places where pests can enter and hide. For example, caulk cracks and crevices around cabinets or baseboards. Use steel wool to fill spaces around pipes. Cover any holes with wire mesh.
- Learn about the pests you have and options to control them.
- Check for pests in packages or boxes before carrying them into your home.

WDN EMERGENCY MANAGEMENT

PREPARE YOURSELF AND YOUR FAMILY FOR WINTER WEATHER

WDN Emergency Management is always committed to you and your family's safety, especially in the event of a local emergency.

Cold weather, winter blizzards, and possible power failures will soon be upon us again, being prepared is the key to staying safe. Below are some tips to help you prepare for cold winter weather.

1) Have your family's 72-hour kit and your Vehicle Winter driving Kit prepared

- Use the suggested checklist on the following page or refer to your Community Member Quick Reference Emergency Response Plan, Emergency Kit Lists tab, to stock a basic 72-hour kit and add items depending on your family's needs,
- Ideally, your kit should be stored in a waterproof container.
- You may have to stay in your home without electricity or water, or you may have to evacuate your home until utilities are restored.
- Building a 72-hour emergency kit includes everything your family needs for a 3-day camping trip, at home.
- Check on elders to ensure they are warm enough and have sufficient supplies, particularly when the weather is cold or snowy. They might not feel comfortable going outside to shop and may require food, medications, and other supplies.

2) Listen to the weather forecast

- Check the Environment Canada weather forecast, the Highway Hotline and **VOYENTALERT** before going out.
- **Wind chill** warnings are based on local conditions and are issued when significant wind chills are expected.

3) Plan ahead. Avoid driving in Severe Weather, if you must travel

- Develop a cold weather **safety plan**.
- Always inform someone of your travel plans and estimated time of arrival.
- Bring extra clothing, a sleeping bag or blankets, food and water.
- Charge your cell phone.
- Be sure to pack a Vehicle Emergency Kit.

3) Dress warmly

- Dress in **layers**, with a wind resistant outer layer.
- **Wear a hat**, mittens, or insulated gloves. Keep your face warm with a scarf, neck tube or facemask.
- Wear warm waterproof footwear. When it is very cold, or when the wind chill is significant, cover as much exposed skin as possible.

4) Stay dry

- Wet clothing chills the body rapidly.
- Remove outer layers of clothing or open your coat if you are sweating.

WDN EMERGENCY MANAGEMENT

ATV SAFETY

All Terrain Vehicles, (including side by sides) are specifically designed for off road use and provide a rewarding recreational experience and a valuable tool for those that use them for work. They are not toys, and can cause serious injury or death when operated by the untrained and inexperienced riders.

In Saskatchewan all ATVs are governed by the Saskatchewan All Terrain Vehicles Act (2021)

According to Saskatchewan Government Insurance (SGI), 29 people were killed and 310 were injured in ATV collisions on public roads in the province from 2012 to 2021. However, a majority of ATV crashes and fatalities happen on private roads and aren't included in that data. In Saskatchewan ATVs are the leading cause of hospitalization and death for children 1 to 19 years of age.

In accordance with the Saskatchewan All Terrain Vehicle Act, to operate an ATV, you **MUST** be 16 years of age and have a valid Driver's License.

Youth between 12 and 15 years of age can operate an all-terrain vehicle if:

- they have successfully completed an approved ATV training course, or;
- they are directly supervised by a person who has held a driver's license for the previous year

Following these guidelines will ensure that you make it home safe and sound:

1. **GET TRAINED** – it's important that riders know how to ride their ATV properly. Youth between 12 and 15 years of age **MUST** have successfully completed an approved ATV training course. All riders can benefit from the training.
2. **Wear the Gear**. Saskatchewan ATV Act requires that all ATV riders (including passengers) wear a helmet and goggles (if the helmet doesn't have a face screen), this includes side by sides. Roll cages are not foolproof and in a roll over the driver's head can come in contact with the roll cage or other parts of the ATV resulting in serious head injuries.
3. **Do not allow passengers** unless the ATV is designed to carry a passenger. Single person ATVs are just meant for one person, adding a passenger can create a dangerous imbalance in the ATV, and roll overs are more likely to occur.
4. **The Right ATV** – this is especially true for children. ATVs have warning labels which advises what minimum age is appropriate to riding that ATV. Allowing a child or small person on an ATV that is too large or powerful to handle can have dire consequences.
5. **Ride with a Buddy or Group** – at the very least make sure someone knows where you are going to ride and when you are expected to come back.
6. **Know your Limits** – attempting advanced or tricky maneuvers, without the proper experience and training, can lead to crashes, and serious injuries.

WDN EMERGENCY MANAGEMENT

WDN EMERGENCY MANAGEMENT

From time to time, police activity and/or incidents in and around CRHES and WDN may result in the school, or WDN being put into “Hold & Secure” or a “Lockdown”.

Below, you will find a brief explanation of each of these situations.

CRHES Hold & Secure

Hold & Secure is a response to a threat and/or incident in the general vicinity, but not on or very near to school property. School life continues as normal inside the school; however, as a precautionary measure, outer doors are locked, and no one enters or leaves the building.

CRHES Lockdown

Lockdown is used in a serious emergency situation, where the threat is inside the school, on or very near to school property or somewhere within the community. A Lockdown minimizes access and visibility in an effort to shelter students, staff, and visitors in secure locations. Like a Hold & Secure, all outer doors are locked; however, a Lockdown requires that, in the school, all students be kept in classrooms or other designated locations and that inner hallway and classroom doors also be locked where possible. Entry to, and exit from, the building is restricted to emergency services personnel only.

During a Lockdown, lights are turned off in the classrooms and offices, curtains and blinds are closed where possible, cell phone use is restricted and all people inside the building should remain quiet. School phones will not be answered as the administration is tending to the ongoing situation. As cell phone use is restricted, students are asked not to use phones until cleared to do so.

WDN COMMUNITY WIDE Hold & Secure/Lockdown

If a WDN Community wide Hold & Secure or Lockdown is ordered, everyone will remain inside their residence or building. Lock all doors and windows, and everyone take cover in a secure room out of sight and remain quiet until all clear is given. Do not use your cellphones until cleared to do so.

For further details, refer to your “Community Member Quick Reference Emergency Response Plan” previously distributed to every household.

Hold and Secure/Lockdown Messages

Parents/guardians and WDN members will all be notified immediately of a Hold & Secure or Lockdown situation via the VOYENTALERT emergency notification app and social media.

Once it has been deemed safe to do so, the Hold and Secure or Lockdown will be lifted, and everyone will be contacted via VOYENTALERT/ SOCIAL MEDIA to indicate that the situation has been resolved.

WDN EMERGENCY MANAGEMENT

WDN EMERGENCY MANAGEMENT

We encourage all WDN members to download the free VOYENTALERT App. This is the primary method used to notify members of emergencies.
