Whitecap Dakota Nation CSO Program Update

Whitecap Dakota Nation's Community Safety Officer Program has recently completed its two-year pilot term. Chief and Council have received much positive feedback on the program and the work of our CSO's. Here are a few updates for WDN Members and residents:

Ongoing and Expanded Program

- WDN Chief and Council will continue to ensure CSO services on Whitecap. Council is working with Canada and Saskatchewan to put additional funding in place to expand the program.
- This year, WDN has approved a budget for 7 CSOs to enhance community safety. With the recent hiring of two new CSOs, we currently have 6 on staff and are recruiting another.

CSO Responsibilities Outside the Community

- CSO's are regularly required to travel to Saskatoon for activities such as:
 - Traffic Court Appearances
 - Business with the RCMP
 - Vehicle servicing and cleaning
 - Meetings with Sask Justice
 - Picking up supplies
 - Training with Saskatoon Police Service

CSO Enforcement Activities

- CSO's have the same enforcement powers as police in the province.
- CSO's actively enforce a zone along Chief Whitecap Trail (Highway #219) between Beaver Creek and the south end of WDN lands.
- CSO's sometimes are required to follow vehicles or are called in by police outside their enforcement zone.
- CSO's participate in joint enforcement initiatives with the RCMP, Saskatoon Police Service, Corman Park Police and others (e.g. Recent Check Stop at #219 and Grasswood Road)
- It is estimated that the CSO's have conducted over 50 sobriety checks over the past year.

FREQUENTLY ASKED QUESTIONS:

WHAT IS A COMMUNITY SAFETY OFFICER (CSO)?

A CSO will provide additional uniformed presence and patrol in WDN. They can investigate low-risk incidents (ex. property theft) and engage in the enforcement of provincial laws and/or WDFN bylaws. They may also work with prevention-based programs, such as schools or with community groups.

WHAT HAPPENS TO THE RCMP?

CSO's and the RCMP will work together. When CSO's deal with low-risk incidents, the RCMP will have more time to focus on serious criminal investigations.

CAN CSO'S PULL YOU OVER?

Yes, CSO's can pull you over when they are in uniform.

CAN CSO'S ARREST YOU?

CSO's have the authority to make arrests under certain provincial legislation.

DO CSO'S CARRY WEAPONS?

CSO's do not carry guns, however, they do carry handcuffs, batons, and an Oleoresin Capsicum spray.

WHY DO WE HAVE CSO'S?

In October 2019, WDN, Muskoday, and the Province of Saskatchewan signed an MoU agreement. The MoU implements the CSO program to better enforce our laws and ensure community safety. This pilot program is supported by federal and provincial policing funding and by the Lands Advisory Board.

CSOs may enforce laws under the following acts:

- *The Traffic Safety Act*
- *The Alcohol and Gaming Regulation Act, 1997*
- *The Highways and Transportation Act, 1997*
- *The Whitecap Environmental Protection Law, 2018*
- *The All-Terrain Vehicles Act and The Snowmobile Act*
- *The Trespass to Properties Act*
- *The Mental Health Services Act*
- *The Stray Animals Act*
- *The Summary Offence Procedures Act*
- *WDN Smoking Bylaw*
- *WDN Cannabis Control Law (2022)*
- *Other WDN Bylaws (e.g., waste disposal)*

STC Well-Being Services

Saskatoon Tribal Council (STC) Well-Being Services works collaboratively with our member communities to provide positive outcomes for children and families through the Progressive Model. The Progressive Model funding assists communities in enhancing their prevention and family support services that keep families intact and thriving within their circle of support and cultural connections. The goal is to move towards implementing and delivering their child welfare model.

Well-Being Services provides two collaborative pathways of services to STC members in their respective communities:

➤ Child Protection and Child Safety Services

STC has the legal authority under delegation of the Ministry of Social Services (Child and Family Services Act) to assess, investigate, and respond to alleged reports of child welfare concerns in our member communities.

Well-Being Services works collaboratively with communities to respond to child welfare concerns focusing on addressing safety concerns that support the child's best interest and build upon family strengths.

➤ Secondary-Level Services

Ongoing assessments are essential in enhancing prevention and family support services. Communities are in the best position to know what is required to meet the needs of their families and children.

Well-Being Services helps facilitate and support capacity building in essential prevention and family support services for our member communities through our clinical and technical support services.

STC Urban Family Services

Our urban members can also access STC Urban Family Services programs for family support and children programs at their new location at 320-21st Street West in Saskatoon. Please call 306-956-0318 for more information or visit STC's webpage.

Intake Contact Information

General Inquiries about Well-Being Services:

306-659-5668 or toll free 1-844-956-5668

(Monday to Friday 8am to 4:30pm)

This number gets forwarded to an answering service outside of office hours and only urgent child welfare concerns will be patched through to an on-call worker

For Kinistin, Mistawasis, Muskoday, One Arrow, and Whitecap:

STC toll-free child protection reporting line: 1-866-871-4237

This number is forwarded to a call-center after hours, which in turn directs the call to the STC worker on call.

For Muskeg Lake:

Child welfare reports currently go directly to the Ministry of Social Services. Their toll-free intake number is 1-800-274-8297. This number is routed through Mobile Crisis outside of regular office hours.

The Child and Family Services Act requires First Nations Child and Family Services Agencies to provide services to families on reserve where children are believed to be in need of protection. The goal of child protection services is to maintain children in their family home whenever possible and, if a child must be removed for their protection, to reunite families as soon as possible.

What is child abuse and neglect?

Abuse and neglect refers to circumstances that may be harmful to a child's physical, emotional or psychological health.

- **Physical abuse** – any action, including discipline, causing injury to the child's body. Indicators: the presence of several injuries over a period of time; any bruising on an infant; reluctant to go home; cannot recall how injuries occurred, or offers an inconsistent explanation.
- **Sexual abuse** – any action involving a child in sexual exploitation or sexual activity including touching, exposure, using a child in the making of/or viewing pornography. Indicators: injuries to the genital or anal area (e.g., bruising, swelling, infection); pregnancy; age-inappropriate sexual play with toys, self, others; bizarre, sophisticated or unusual sexual knowledge.
- **Emotional maltreatment** – expecting a child to be able to do things he or she cannot do, embarrassing or insulting a child, making hurtful comments about a child's appearance, intelligence, size, ability, etc. Indicators: bedwetting and/or diarrhea which is non-medical in origin; frequent complaints of headaches, nausea, abdominal pain; extreme withdrawal or aggressive behavior; severe depression; running away from home.
- **Neglect** – failing to provide a child with enough food, proper clothing, shelter, health care, or supervision. Indicators: hunger, inappropriate dress, poor hygiene, developmental delays; persistent health conditions (e.g., scabies, head lice); steals food; reports no caregiver at home.
- **Domestic violence** – exposing a child to a pattern of abusive behavior or threats of abusive behavior by one caregiver against another (hitting, kicking, restraining, slapping, throwing objects, intimidation, stalking, etc.). Indicators: physical injuries; aggressive or antisocial behaviours; poor social relationships; low self-esteem.

Duty to Report

Anyone having reasonable suspicion that a child's physical, mental, emotional welfare has been or is being neglected has the legal duty to report such information immediately to a local First Nations Child and Family Services, Ministry of Social Services, or to the Police.

“The duty to report overrides professional confidentiality codes when there is reason to believe that a child may be abused or neglected.”

As a parent...

If you would like general information on supports available, please call 306-659-5668 or toll-free 1-844-956-5668 and request to speak to the Social Worker on Duty.

If you feel unable to safely parent your children, please call **1-866-871-4237**.

As a community member...

If you believe a child may be neglected or abused, you have a **legal responsibility** to report your concerns by calling **1-866-871-4237**.

Jordan's Principle is a principle that ensures there is substantive equality (true equality) and that there are no gaps in publicly funded health, social, and education programs, services, and supports for all First Nations children, on or off reserve, under the age of majority (0 - 18).

The Jordan's Principle provides necessary funding for any services/products/supports, within the domains of health, dental, medical equipment, mental health, social, educational needs, and any other aspect that directly affects the child's wellbeing.

In addition, the Jordan's Principle not only aids with individual requests but also group requests (group homes, schools, communities, etc.). The aim of the Jordan's Principle is to meet the unmet needs of all First Nations children and to be able to achieve equal outcomes as all children in Canada. Furthermore, the Jordan's Principle seeks to attain a level of care that is within and beyond Normative Standards of Care, provisions that are culturally appropriate, and adequate safeguards in the best interest of the child. There are a multitude of requests of services/products/supports that are provided for all First Nations children. Each request is evaluated and decided on a case-by-case basis.

If your child requires the support from the Jordan's Principle, please contact us. We will provide guidance in application, navigation of language & process, education of Jordan's Principle standards, provisions of immediate resources, and assist with all coordination processes and funding, if needed.

Important Update for Birth Registration Applications

PARENTS, PLEASE READ

We have been advised that applications for birth registrations that are mailed to the National Processing Unit in Gatineau, Quebec have been experiencing a delayed wait time of up to 2 years to process birth registrations, and that it is quicker to process birth registration applications if done in person or mailed to a regional office in Saskatchewan.

Parents: Please do not mail your child application for birth registration to the address listed on the application form. Instead, we strongly encourage parents to contact the Whitecap IRA for assistance with birth registration forms processing.

Options for parents for processing their child registration applications:

1. *On Reserve or Local Urban Parent Members:*
 - a. Preferred method: Make an in-person appointment with the Whitecap IRA to verify the completeness of your forms, then she will mail them directly to the regional office in Regina.
 - b. Mail the application to the Whitecap IRA so she can verify the forms content and send to the Regina office:

WHITECAP IRA NEWS

How do I know if my Child is Eligible to be Registered as an *Indian*?

Category Chart

This is a basic reference chart for section 6 entitlements under the *Indian Act*:

There are two key distinctions between entitlement categories, Subsections 6(1) and 6(2).

6(1) Entitlement

- An individual registered or entitled to be registered under subsection 6(1) can pass status to their child(ren).

6(2) Entitlement

- An individual registered or entitled to be registered under subsection 6(2) must parent with another registered or entitled to be registered Indian in order to pass status to the child(ren).

If only one parent is listed on a child's birth record, it is assumed that the other parent is non-Indian and therefore your child would only be entitled for registration under category 6(2) or not entitled at all. Therefore, it is crucial for the father to sign the "live birth document" in hospital at the time of birth. If the father could not be at the hospital at the time, please ensure to contact Vital Statistics Saskatchewan (eHealth) to request an "amendment to their child's birth record" to add the father.

WHITECAP BAND MEMBER PARENTS: *If you have any questions at all regarding Child Registration, or if you are unsure of your category of registration in the Indian Register, please feel free to contact your Whitecap IRA for assistance: Italia Eagle at (306) 477-0908.*

- to name who will take care of your children and dependents

- to leave instructions for end of life ceremonies

- to name who will take care of your estate

Attention:

BEWARE OF UNSECURED DOGS

Please be advised that there have been multiple complaints about dogs not being properly secured. The By-Law for Whitecap Dakota Nation regarding pets is that your dogs must always remain secured in your yard while outside or they will be removed by animal control at the cost of the owner.

The community considers these dogs dangerous due to aggressive interactions with the Housing, Public works and Maintenance Vendors coming to do repairs on your unit. WDN members are especially concerned for the safety of children at play in the neighborhood. We take this matter seriously, and we want everyone's safety to be taken into consideration.

Please contact the Housing Department in an event you witness an unsecured dog at 306-491-0909.

Re: **Recycle and Waste Collection Schedule**

Happy New Year!

Loraas Recycle and Waste Collection schedule is as follows:

Recycle Collection for January 1st 2024 has been rescheduled to January 6th 2024.

Regular schedule of Recycle Collection will be executed every second Monday as of January 15th 2024.

Regular Schedule of Waste Collection will continue to be executed every second Friday.

The Loraas - Whitecap 2024 Recycle and Waste Collection Schedule is on the following page for your convenience.

We have noticed a growing amount of pest control cases within the community. Please call the WDN Housing Office at 306-491-9090 with any requests concerning any pest issues. Here's a few tips to follow as well as a link to Service Canada on how to maintain pest control.

Pest control tips - Canada.ca

- Remove sources of food, water and shelter.
- Store food in sealed plastic or glass containers. Garbage containing food scraps should be placed in tightly covered trash cans. Remove garbage regularly from your home.
- Fix leaky plumbing and don't let water accumulate anywhere in the home. Don't let water collect in trays under your house plants or refrigerator. Don't leave pet food and water out overnight.
- Clutter provides places for pests to breed and hide and makes it hard to get rid of them. Get rid of things like stacks of newspapers, magazines, or cardboard.
- Close off places where pests can enter and hide. For example, caulk cracks and crevices around cabinets or baseboards. Use steel wool to fill spaces around pipes. Cover any holes with wire mesh.
- Learn about the pests you have and options to control them.
- Check for pests in packages or boxes before carrying them into your home.

Re: Loraas Disposal Recycle Bins and Waste Bins

Please keep in mind when discarding your garbage and recyclables.

1. Collection equipment requires clear, safe access to your container on collection day to ensure service.
2. Containers with inappropriate materials, overweight or over height could be bypassed by collection personnel.
3. Garbage bags should not be stacked on top of or beside the garbage bin. The garbage bin must be able to close. Cardboard boxes/material do not belong in the garbage bins but rather the blue recycle bins.

The Grey garbage bins are clearly marked **“DO NOT OVERFILL”**

The Blue Recyclable bins are clearly marked **“Recyclable Products”**

Below are illustrations of what to do AND what not to do on garbage day.

REMINDER

Whitecap Dakota Nation

Community Curfew

All persons, 12 years of age and under are required to be off Community streets and Community property between 8 P.M. and 7 A.M. unless accompanied by a parent or guardian.

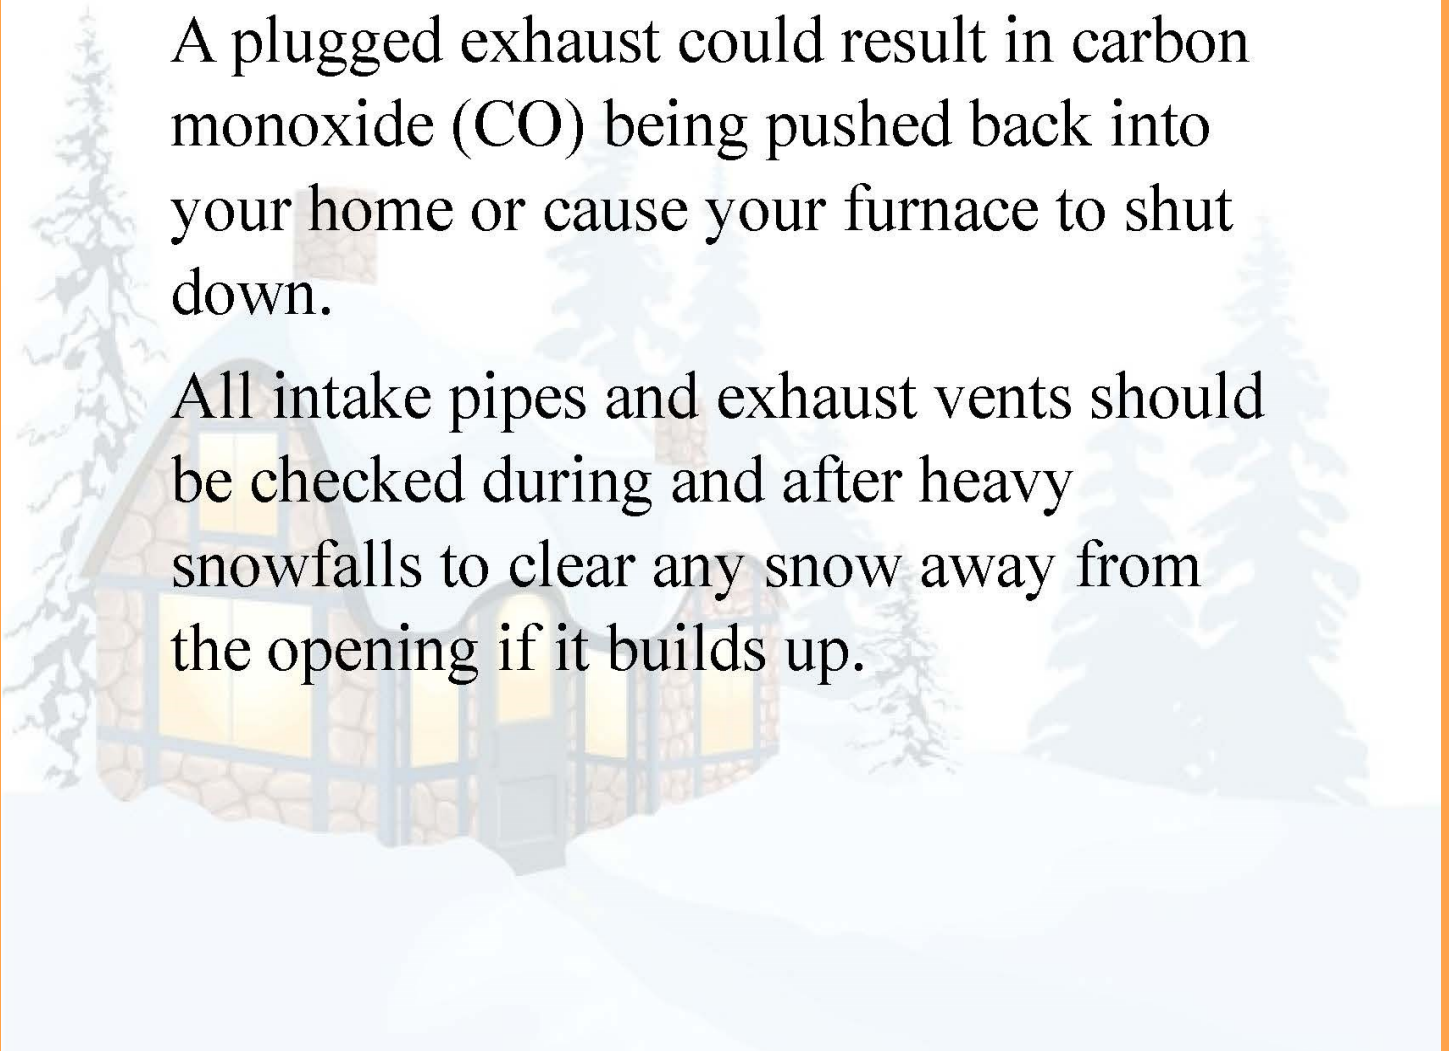

All persons, between the ages of 13 and 17 are required to be off Community streets and Community property between 11 P.M. and 7 A.M. unless accompanied by a parent or guardian.

Home Heating Safety

When there is heavy snowfall, WDN wants to remind community members to check intake pipes and exhaust vents that may be blocked with snow or ice.

A plugged exhaust could result in carbon monoxide (CO) being pushed back into your home or cause your furnace to shut down.

All intake pipes and exhaust vents should be checked during and after heavy snowfalls to clear any snow away from the opening if it builds up.

Reminder for ATV/Snowmobile Users!

- Please be respectful of peoples property
 - Stay in ditches and trails
 - Follow all safety rules: helmets, etc.
 - Respect time of day(ATV's are loud, be considerate of neighbors)
- Children under the age of 16 should not be operating an ATV
- Be cautious of children playing and pedestrians

Have Fun and Be Safe!

ATV SAFETY

All Terrain Vehicles, (including side by sides) are specifically designed for off road use and provide a rewarding recreational experience and a valuable tool for those that use them for work. They are not toys, and can cause serious injury or death when operated by the untrained and inexperienced riders.

In Saskatchewan all ATVs are governed by the Saskatchewan All Terrain Vehicles Act (2021)

According to Saskatchewan Government Insurance (SGI), 29 people were killed and 310 were injured in ATV collisions on public roads in the province from 2012 to 2021. However, a majority of ATV crashes and fatalities happen on private roads and aren't included in that data. In Saskatchewan ATVs are the leading cause of hospitalization and death for children 1 to 19 years of age.

In accordance with the Saskatchewan All Terrain Vehicle Act, to operate an ATV, you **MUST** be 16 years of age and have a valid Driver's License.

Youth between 12 and 15 years of age can operate an all-terrain vehicle if:

- they have successfully completed an approved ATV training course, or;
- they are directly supervised by a person who has held a driver's license for the previous year

Following these guidelines will ensure that you make it home safe and sound:

1. **GET TRAINED** – it's important that riders know how to ride their ATV properly. Youth between 12 and 15 years of age **MUST** have successfully completed an approved ATV training course. All riders can benefit from the training.
2. **Wear the Gear**. Saskatchewan ATV Act requires that all ATV riders (including passengers) wear a helmet and goggles (if the helmet doesn't have a face screen), this includes side by sides. Roll cages are not foolproof and in a roll over the driver's head can come in contact with the roll cage or other parts of the ATV resulting in serious head injuries.
3. **Do not allow passengers** unless the ATV is designed to carry a passenger. Single person ATVs are just meant for one person, adding a passenger can create a dangerous imbalance in the ATV, and roll overs are more likely to occur.
4. **The Right ATV** – this is especially true for children. ATVs have warning labels which advises what minimum age is appropriate to riding that ATV. Allowing a child or small person on an ATV that is too large or powerful to handle can have dire consequences.
5. **Ride with a Buddy or Group** – at the very least make sure someone knows where you are going to ride and when you are expected to come back.
6. **Know your Limits** – attempting advanced or tricky maneuvers, without the proper experience and training, can lead to crashes, and serious injuries.

WDN EMERGENCY MANAGEMENT

WDN EMERGENCY MANAGEMENT

From time to time, police activity and/or incidents in and around CRHES and WDN may result in the school, or WDN being put into “Hold & Secure” or a “Lockdown”.

Below, you will find a brief explanation of each of these situations.

CRHES Hold & Secure

Hold & Secure is a response to a threat and/or incident in the general vicinity, but not on or very near to school property. School life continues as normal inside the school; however, as a precautionary measure, outer doors are locked, and no one enters or leaves the building.

CRHES Lockdown

Lockdown is used in a serious emergency situation, where the threat is inside the school, on or very near to school property or somewhere within the community. A Lockdown minimizes access and visibility in an effort to shelter students, staff, and visitors in secure locations. Like a Hold & Secure, all outer doors are locked; however, a Lockdown requires that, in the school, all students be kept in classrooms or other designated locations and that inner hallway and classroom doors also be locked where possible. Entry to, and exit from, the building is restricted to emergency services personnel only.

During a Lockdown, lights are turned off in the classrooms and offices, curtains and blinds are closed where possible, cell phone use is restricted and all people inside the building should remain quiet. School phones will not be answered as the administration is tending to the ongoing situation. As cell phone use is restricted, students are asked not to use phones until cleared to do so.

WDN COMMUNITY WIDE Hold & Secure/Lockdown

If a WDN Community wide Hold & Secure or Lockdown is ordered, everyone will remain inside their residence or building. Lock all doors and windows, and everyone take cover in a secure room out of sight and remain quiet until all clear is given. Do not use your cellphones until cleared to do so.

For further details, refer to your “Community Member Quick Reference Emergency Response Plan” previously distributed to every household.

Hold and Secure/Lockdown Messages

Parents/guardians and WDN members will all be notified immediately of a Hold & Secure or Lockdown situation via the VOYENTALERT emergency notification app.

Once it has been deemed safe to do so, the Hold and Secure or Lockdown will be lifted, and everyone will be contacted via VOYENTALERT to indicate that the situation has been resolved.

WDN EMERGENCY MANAGEMENT

WDN EMERGENCY MANAGEMENT

We encourage all WDN members to download the free VOYENTALERT App. This is the primary method used to notify members of emergencies.

If you have any questions about these procedures, please feel free to contact 306-477-0908 and ask to speak with the WDN Emergency Management Coordinator.
